

# Join our team of volunteers

Thirsk Community Care is a registered charity which provides community based services to individuals and communities in the Hambleton and Richmondshire districts of North Yorkshire.

Our mission is to support and enrich the lives of those in need, by working in partnership with volunteers from the local community.

Our vision is for local people to live independent, active and fulfilled lives.

Thirsk Community Care provides an information and guidance service, so that even if we can't help you, we can point you to support elsewhere.

**Are you looking for new experiences and a chance to develop new skills?**

**Would you like to support your local community?**

Thirsk Community Care have volunteer opportunities in a wide range of projects that support children with disabilities, older members of our community, carers and vulnerable women. We'll match your interests, skills and experience to the project that would best suit you.

For example, you could visit lonely older people, drive people to appointments or the shops, or deliver meals on wheels or give someone caring for a family member a much-needed break.

You can choose how often you volunteer and the time that suits you. We'll give you a full introduction to your project, regular training and ongoing support. Your travel expenses will be reimbursed.

Have a chat with our team about the opportunities available.
